OUR CORE BELIEFS

- We believe in one Triune God: The Father, The Son, and The Holy Spirit (Matt. 28:19).
- Jesus Christ is the only Savior and is God in the flesh (John 1:1, 1:14, 3:36, 14:6; Heb. 2:17).
- The Holy Spirit is God—the Lord and Giver of life—who sanctifies, strengthens, and empowers believers today (Job 33:4; Acts 1:8; John 14:26; Rom. 8:11).
- The Holy Scriptures are the inspired and true Word of God (II Tim. 3:16–17).
- All have sinned and fall short of God's glory; forgiveness is received through confession, repentance, and the cleansing blood of Jesus Christ (Acts 2:38; I John 1:9; Rom. 3:23).
- Salvation is a gift of God's grace, received by personal faith in Jesus Christ (Eph. 2:8).
- The Body of Christ should strive to maintain unity through the Spirit and peace, growing in faith and knowledge of the Son (Eph. 4:3, 13).
- God's unconditional love through Jesus is the foundation for renewal, growth, and transformation (I Cor. 13:8).
- We are called to live holy lives that glorify God (Col. 3:1–25).
- For standards and principles, Tres Dias uses the Authorized King James Version (KJV) Bible of 1611.

TRES DIAS

of
St. Louis

WHY TRES DIAS?

The Tres Dias weekend is an opportunity for Christians to encounter Jesus Christ, experience other Christians serving them in love, and receive new inspiration for living our life in Christ. Tres Dias seeks the participation of all Christian denominations

- The main teaching of Tres Dias is God's unconditional love for us through His grace.
- The objective of Tres Dias is to strengthen His Church by a closer personal walk with Jesus
- The purpose of Tres Dias is to inspire apostolic action in our environment and Christian leaders in the church.

WHAT IS TRES DIAS?

Tres Dias is not a church, but a lay-led Christian movement designed to strengthen the local church by equipping believers for deeper faith and leadership. At its core is a three-day weekend experience—rooted in worship, prayer, fellowship, and community—that helps Christians grow in their personal relationship with Jesus Christ through a series of talks, discussions, and shared experiences.

Each spring and fall, Tres Dias hosts two back-to-back weekends—one exclusively for men, followed immediately by one exclusively for women. The men's weekend is held from Thursday evening through Sunday evening, and the following week, the women gather for their own weekend. The event takes place at Camp Mihaska in Bourbon, Missouri—a peaceful, wooded retreat center with beautiful surroundings that allow attendees to step away from everyday distractions and focus on their walk with Christ.

Tres Dias is open to Christians from all denominations and does not promote any specific doctrinal stance. Instead, our focus is on God's grace, the essentials of the Christian faith, and encouraging participants to return to their home churches better equipped to serve, lead, and love others in the name of Christ.

HOW TO ATTEND A TRES DIAS WEEKEND

Find a Sponsor - To attend Tres Dias, you'll need a sponsor—someone who has previously participated in a Tres Dias weekend, Walk to Emmaus, or Cursillo event, regardless of location. This sponsor will guide you through the process, provide encouragement, and answer your questions. Those thinking of attending for the first time are encouraged to spend time in prayer, seeking God's guidance about this important step in their spiritual journey. If you are married, we encourage the husband to attend first, followed by their wives, but this is not a requirement.

Complete an Application - Once you have a sponsor, they will provide you with the necessary application form and help you complete and submit it. Because spaces are limited and demand is high, attendance is granted in the order applications are received. Patience is appreciated as you wait for your opportunity to attend.

Have Questions or Need Help - If you need assistance at any point in the process or don't have a sponsor yet, please don't hesitate to reach out. You can email our community chairmen at *tresdiasstl@gmail.com*—they are happy to provide guidance, answer questions, and help you connect with a sponsor.
